

2016 Alfaro Family Vineyards Estate Rosé of Pinot Noir

Delicate salmon pink in color, dry in style, with the essence of fresh raspberries, watermelon, and strawberries on the palate. This rose is a light bodied wine that is wonderful by itself as an aperitif and pairs well with poultry, fish and most meats. Best served chilled.

The grapes were de-stemmed and placed in tanks where the grapes' own weight did the crushing. After 20 hours on their skins, the grapes were pressed and the juice was cold-fermented in stainless steel for 4 weeks. Next the wine was aged 4 months in neutral oak.

13% alcohol
